Dear Parents or Guardians:

The entire staff at South Plantation High School is extremely excited about the beginning of this new school year. We believe that if your child seizes daily opportunities for success then we, the parents and teachers, have also succeeded. With your support, we will continue to guide your student towards success now and throughout their academic career.

Furthermore, the South Plantation High School team would appreciate your assistance in encouraging your child to be punctual, come prepared, alert and focused on a daily basis. Your involvement is of the utmost importance in everything that we hope to accomplish in the upcoming school year.

We would like to establish an open forum of communication where we strive to maintain contact on any topic or concern relating to the student's performance in the class. You can contact your child's teacher via email or via our website "southplantationhigh.net." Although our e-mails are the most efficient way to get in contact with any of us, we may also be reached by calling the school at 754-323-1950.

We thank you in advance for your cooperation and look forward to a very productive and exciting year. I look forward to seeing all of you at our Open House, on Tuesday, September 6, 2011 at 5:30 PM.

Sincerely,

David V. Basile, Ed.D  
Principal
