October 11, 2010

Dear Parent/Guardian:

The State of Florida's Class Size Reduction amendment requires all high schools to schedule no more than 25 students into each core class.

In order to comply with this amendment, it is necessary for the school to add classes into our master schedule. Please know that South Plantation High School has taken all the possible measures to minimize the impact these changes will have on our students. Unfortunately, there will be changes to a number of student schedules on our campus. We have put a process in place to make certain that all student grades are transferred to their new teacher. Thank you in advance for your support with this difficult task.

If you have any questions or concerns, please contact us at:

Guidance Department: (754) 323-1959
Administration: (754) 323-1950

Sincerely,

Dr. David Basile
Principal
